5 MAY 1966

MEMORANDUM FOR: J. Patrick Coyne, Executive Secretary  
President's Foreign Intelligence  
Advisory Board

SUBJECT: Heine vs. Raus

The following information is provided pursuant to your request of May 5, 1966 concerning information which may be in the possession of the RCMP on Heine's activities in Canada.

We have been in touch with the RCMP on this case since May 1963, with particular reference to whether Heine had been observed by the RCMP to be engaged in subversive activities in Canada. We have been advised by the Canadians that no such activities of Heine have come to their attention, although they also acknowledge that they have not had him under surveillance. Furthermore, the RCMP has not developed information on espionage activities of Heine prior to his arrival in Canada.

In discussions with an officer of this Agency within the past few days, the RCMP has made it clear that it does not consider this a closed case and that it will take whatever further investigative steps may be appropriate, including further questioning of Heine, as developments in the case may dictate.
